

CIRCULAR TO COLLEGES & UNIVERSITIES IN INDIA

United Nations has proclaimed 2019 as the International Year of the Periodic Table as per A/RES/72/228 and 39C/ decision 60.

ICUN Programs: Prestigious Legacy

IARC | Centre for United Nations is at the forefront of driving United Nations initiatives in India. Since 2011, the coveted ICUN programs are conducted at India's best schools, colleges and universities including IITs and IIMs.

Introduction: IYPT 2019 India Program

IYPT 2019 India Program is based on UNESCO-led IYPT 2019, which recognizes the Periodic Table as the very basis of physics, chemistry, biology, business and all of engineering; it is essentially a window on the universe, helping to expand our understanding of the world around us.
